TRAINING OVERVIEW

The Mainstreaming Children with Cerebral Palsy Workshop 6 was attended by 15 participants ranging from parents, Teachers, Educational Psychologists and a school nurse.

The training was facilitated by Tobiloba Ajayi of The Let Cerebral Palsy Kids Learn Foundation

The participants left with an understanding of Cerebral Palsy and how it may affect learning in the classroom. They learned how to differentiate lessons and assessments in the classroom.

The major highlights of the day were the creation of UDL lesson plans and the creation of Individualized Education Plans for actual children.
