### **KEY INFORMATION ABOUT THE FOUNDATION**

The Let Cerebral Palsy Kids Learn Foundation was born out of a desire to change the prevalent narrative about the intellectual capabilities of Children with Cerebral Palsy in Nigeria.

#### **Vision**

A Nigeria where children with cerebral palsy are offered inclusive mainstream education as a first option, as a right, and not as the exception that currently exists.

#### **Mission**

- Changing public perception about the intellectual capabilities of Children with Cerebral Palsy through public enlightenment programmes.
- Encouraging and supporting parents to raise their children with Cerebral palsy in their own homes and communities, including educating them in mainstream schools.
- Providing Support to Parents in the Management of Cerebral Palsy using a robust referral system
